Summer Complaint in Children

There is not anything like so many deaths from this disease now as before Chamberlain's Colic and Diarrhoea Remedy came into such general use. When this remedy is given with caution and directed and proper care is taken as to diet, it is safe to say that fully ninety-nine out of every hundred cases recover. Mr. W. G. Campbell of Butler, Tenn., says, "I have used Chamberlain's Colic and Diarrhoea Remedy for summer complaint in children. It is far ahead of anything I have ever used for this purpose."—Advertisement.

The Chapman Violin.

Johnson, Wash. July 30, 1920.

Mazomanie Sickle.

I read the article in the July 9th issue about the Chapmans playing the violin in the Congressional church in Mazomanie many years ago. I have the violin yet. It made two round trips from Mazomanie to California, and then to Lewiston, Idaho, where my father and mother and brother Leona are sleeping the sleep that knows no waking. Tell my old chums Hello. Yours truly, Len Chapman.

"I TRIED IT AND KNOW," HE SAYS

Milwaukee Man's Trouble Soon Overcome and He Gains Ten Pounds Taking Tanlac.

"Yes sir, I can recommend Tanlac for any one who has stomach trouble, as I have tried it myself and know what it will do," recently said Charles Weber, 1237 Fifth street, Milwaukee, Wis., an employee of The Refrigerator Transit Company.

"Tanalac seemed to go right after my trouble," continued Mr. Weber, "and I have not only gained ten pounds in weight but feel better than I have in years. For the past five years I had suffered from indigestion, so no matter what I ate or how little it would matter

would palpitate something awry. I had intense pains in my stomach nearly all the time and got all out of breath at the least little exercise. I was bilious and my tongue was coated all the time and if I stooped over everything turned black before me and I got dizzy. I had to steady myself to keep from falling. I suffered with headaches nearly all the time and my nerves were in such bad condition I just lay awake hour after hour every night without being able to go to sleep at all. In the mornings I felt so bad it was all I could do to go to work, and, in fact, I had lost weight and became so weak it was an effort for me to get about at all. Although I tried many different treatments and medicines none of them did me any good and I was getting worse all the time.

"When I started taking Tanlac I began to get better right away and I now eat anything I want without indigestion or giving me any trouble with gas or palpitation of the heart. I never have a pain in my stomach and seldom have a headache or become dizzy. I sleep well at night now, as my nerves are in good condition, and always get up in the mornings feeling fine. I am getting stronger every day and can do a great deal more work with greater ease than I could before taking Tanlac. I think Tanlac is a great medicine and I will never miss an opportunity to tell about what it has done for me."

TANLAC is sold everywhere by Geo. A. Shields; in Mt. Horeb by C. C. Robertshaw; in Sun Prairie by W. L. Schultz.—Advertisement.

Loss of Appetite

As a general rule there is nothing serious about a loss of appetite, and if one skips a meal or only two meals a day for a few days you will soon have a relish for your meals when meal time comes. Bear in mind that at least five hours should always elapse between meals so as to give the food ample time to digest and the stomach a period of rest before a second meal is taken. Then if you eat no more than you crave and take a reasonable amount of outdoor exercise every day you will not need to worry about your appetite. When the loss of appetite is caused by

IS THIS SMILE WORTH A RIBBON?

Backed by this winning smile these two pigs should have no trouble in winning blue ribbons at the coming show. According to officials of the big show the unusual number of swine entries is almost certain to result in a record-breaking hog exhibit. To encourage age hog raising prizes for swine of leading breeds are offered at the Dane County Fair, Madison, Wis., Aug. 24 to 27.

TO OUR PATRONS:

Telephone expansion must continue to be ahead of local and national progress. As progress in our commercial, industrial and social life goes on, telephone service must be far enough advanced to receive and care for the increased demands.

During the war this was impossible. Manufacture of equipment was reduced and the reserve facilities and equipment was diverted almost entirely to war purposes.

Now that the war is ended, the Wisconsin Telephone Company plans to spend \$6,000,000 in new construction in the next two years and to restore its pre-war reserve of facilities and equipment.

Rates must be charged that will meet present costs, both in equipment and wages. The public must pay, but for its own benefit. Telephone service belongs to the public and it must be maintained, always, at the maximum of efficiency regardless of prevailing costs.

State Beauty Contest.

Unusual interest is being evinced in the \$1,000 Beauty Prize contest which is being conducted by the Wisconsin News of Milwaukee to determine the most beautiful girl in the state. This beauty contest is arranged in connection with the Wisconsin State Fair where \$1,000 in gold will be paid to the young lady selected by judges as being the state's prize beauty. The contest is of state-wide scope and is open to all. Photographs should be sent to the Beauty Editor, Wisconsin News.

Remember! There is no charge for entering the contest. None but the professional beauty is barred. There need be no fear of publicity, for in deference to the wishes of those who enter, no name will be printed during the contest, only the initial of the last name will be published if photograph is reproduced in the Wisconsin News, along with the occupation and the name of the street and city in which the contestant lives. So send in photographs of the beautiful girls for this beauty contest. They will be judged at the Wisconsin state fair, August 30 to September 4.

To Round Up Draft Dodgers.

A nation-wide round-up of more than 100,000 draft deserters will be started soon by the war department at Washington, as a final effort to bring to justice men who failed to answer the call to America's draft army during the war. The war department has been preparing a mammoth list of names of men who can be classed as actual draft deserters. This list is estimated to contain names of 100,000.

The Dort is a car that earns your good will through its own good performance.

It is a very easy-riding car. It does not bump you and jar you on bad roads as many light cars do.

It hangs closely to the road bed even when traveling at high speed.

And its average mileage per gallon of gas, quart of oil, and set of tires is distinctly high.

Received the suit. I think the goods first class, and good value, but the trousers are too small. I have sent them to my tailor in Chicago to change. The cost will be about \$2.00 which I presume you will allow me.

I did not need the suit, and I had no idea of buying one in Mazomanie, but when our boys took me to your store to show me the suits, I could not help but buy one anyway when I saw the bargain.

Yours truly, Wirt Lawther.

OBITUARY

Ralph Reeve.

Ralph Edwin Reeve, a son of the late William E. and Fannie Reeve, was born in the town of Mazomanie, May 4, 1868. On September 25, 1905, he was united in marriage to Mary Edna Grodz, at Mazomanie. To this union two sons were born. Twenty-two years of his married life were spent on a farm in the town of Vermont. About one year ago he moved to the town of Mazomanie, where he resided until his demise. Last December he was taken ill with influenza and some effects of this illness seemed to remain with him. About two weeks preceding his death, he was taken ill with neuritis, and his health rapidly failed until he quietly passed away early Thursday morning, July 26, 1929, at the age of fifty-two years, two months and twenty-two days. During his last illness he suffered much pain, and for about three days preceding his death, he was unconscious.

Mr. Reeve was a devoted husband and a loving father, and of industrious habits. From boyhood he followed the occupation of farming. About two years ago, he united with the First Methodist church, and soon after coming to Mazomanie his membership was transferred to the Mazomanie church. He is survived by his bereaved wife and two sons, Vernon and Orville, one full brother, Thomas E. Reeve, and one full sister, Mrs. L. N. Dodge, of Mazomanie, and two half-brothers, Percy Reeve, of Mazomanie, and Frank Reeve, of Bailey, Iowa, and two half-sisters, Mrs. Beadie Julius, of Minnesota, and Miss Edna Reeve.

The funeral services were held from the late residence and the Community church on Saturday afternoon. Rev. F. J. Thomas read the scripture lesson and offered prayer. The sermon was preached by Rev. G. R. Carver, of Lodi. Three hymns were sung by the Misses Mabel and Nettie Woodrich and Mesdames H. L. Swan and Roy Deun, with Miss Leona Lappley, accompanist. The pall bearers were Messrs. Fred Knight, J. F. Hudson, John Booth, M. W. Shewers, J. H. Lynch, and Chas. Smith. Interment was made in the Mazomanie cemetery. Those from out of town who attended the funeral were Mr. and Mrs. Frank Reeve, of Bailey, Iowa, Mr. and Mrs. Harry Reeve and son, Harry, of Madison, and other relatives and friends from nearby towns.

Card of Thanks.

We wish herewith to tender our sincere thanks to all who assisted us during the illness and burial of our be-

loved husband and father, and also for the many tokens of sympathy and the kindness shown in our bereavement.
Mrs. Ralph Reeve and Children.

It was at first thought that death was due to an accidental fall over the cliff, or by suicide, but the special investigators in charge of the case now lean strongly to the murder theory.

—A new home will soon be located in the midst as the result of a happy event which was celebrated in a quiet manner in the city of Prairie du Chien Monday afternoon, the 24th inst. King, junior member of the firm of King Bros. and one of the city's deservingly popular and successful business men, cast their lots together, the wedding scene being the home of the bride. The young people are spending the week in the vicinity of the Twin Cities, after which they will take up their residence here. The Democrat is pleased to join with their many friends in wishing that the new

life will be a long and contented one.—Richland Center Democrat.

Women Vote For Electors.

The act passed at the last session of the Wisconsin legislature, providing that women may vote for presidential electors in this state holds good regardless of whether enough states vote for ratification before the primaries or not. The attorney general has given this as his opinion. Also, the Supreme court of the United States has held that "it is absolutely within the discretion of the legislature to prescribe the method by which presidential electors shall be chosen." The Wisconsin act provides that they shall be elected by the votes of male and female voters of the state.

In Cuba the marriage laws are very rigid. Until recently persons divorced for any cause could not be married.
