CHURCHES : SOCIETIES

Community Church.—There will be a union service next Sunday. In place of the usual morning worship there will be a program presented by the busy Vacation Bible school. Also exhibits of work done during the past two weeks. Everyone interested in the boys and girls of the community should especially be present, also everyone interested in religious education. The exercises will begin at 10:30 and the Sunday school period will be omitted. Everyone is heartily welcome. The offering will be devoted to the expenses of the Daily Vacation Bible school, and those do your best to help financially in this good work. The Junior and Junior V. B. society meetings will be held as usual at 7:30 p. m.

Some mothers who want someone to take care of their children, make the mistake of applying for a governess, when what they need is a live helper.

A Rare Bargain.

Through our columns we have the privilege of offering Calumet 5-cent middle pipe to our housewife readers at a most reasonable price.

This is a special offer for friends and customers of our paper and of the Calumet Smoking Powder Company, and we hope every reader will take advantage of it promptly as the offer is unusual and may be withdrawn later.

Instantly an 8-oz. Middle Pipe of such high quality would cost 25 cents. By purchasing large quantities, liberally advertising the offer and finally cutting off a good figure because of the value of friends and good will, Calumet is able to make this unusual offer.

Buy a can of Calumet today—mail the slip found in the can with 10¢ to the Calumet Smoking Powder Company, Department A, 4100 Ellmore street, Chicago, and this large, high-quality middle pipe, 7 1/2 inches long, will be sent you postpaid.

OF LOCAL INTEREST

Wedding Anniversaries.

A most delightful reunion was held at the home of Mr. and Mrs. Wallace on Sunday, June 28, 1936, to honor their thirtieth wedding anniversary.

Invitations had been issued to relatives, friends, neighbors and school of each of them, and called together in the morning at the home of the bride, Miss Mary being the hostess until 1936.

Wallace and Kate were married thirty years ago by Rev. Byron Meigs. Their children are: Rev. Byron Meigs, Frank Richard Knight and daughter, Miss Mary. They were married at the home of the bride on June 28, 1906.

The same day was also the first anniversary of their daughter, Harold. It was a very happy occasion. Two large tables covered the dining room, and were more than laden with the viands which constitute a real hotel dinner. At one table sat the bride and groom, and a party of other guests. At the other end of the room were seated the younger couple and many of the younger guests. The third table was surrounded by children. The bride and groom's table was decorated by flowers and beautifully decorated by mother and daughter. The daughters, Mrs. Wm. Coulton Meigs, Mrs. Wm. Lela, served.

The decorations in the living room consisted of beautifully arranged flowers, roses and geraniums. In the dining room the wedding bell hung, and white ribbons stretched from it in various parts of the room constituted the decorations.

The afternoon was spent in visiting, singing, and a few remarks. Mr. and Mrs. Ernest Lacey furnished musical music on violin and piano. Others played old songs, among them "God be with you till we meet again." We all sincerely say it was a home reunion in the home of childhood days. We all agree in wishing Wallace and Kate many happy years of married life, the same and wishes apply to John and Harold, also may God bless and prosper them all.

Thirty long years you have traveled together. Years of hard work, joy, sadness and tears.

Years that have left their imprint on your faces.

Years that have somewhat altered the hair.

God has given you dear ones to care for.

There is love, to cherish and fear.

There has been brought to your home many blessings.

There has brought care, they also brought cheer.

Thank you for yourself now quite recognized.

Madison is to be the center of holiday interest on July 3, 4, and 5, with its celebration sponsored by the Veterans of Foreign Wars. Horse races, bands, events for the youngsters, a giant carnival with live riding devices, speeches and all other things that go to make up a perfect celebration are on the books. Senator Irvine L. Leight will speak Saturday night; Senator Robert M. La Follette, Sunday night; Governor John J. Blaine, Monday night.

Walking on the left side of the road has been advocated for some time by police and highway officials. One has many a wily of automobile accidents, yet a large number of people continue to use the right side of the road when walking. This makes it impossible for them to see vehicles approaching on their side of the road. The motorist may see the pedestrian, but he can never be sure which way they are going to turn. If he meets another vehicle just as he is about to pass a bicyclist, it may be impossible for him to turn out without striking one of them.
