The Holstein herd owned by Walter Hodgson & Sons, of Arena, won the blue ribbon at the Inter-County fair at Spring Green last month. They got first on senior herd sire, and first and senior champion on their junior herd sire, King Gesslin Angulo, a 31-pound bull whose dam averaged 104 pounds of milk a day while on test; first on two-year-old heifer; first on senior heifer calf; first on junior bull calf; first on calf herd. Gordon Hodgson got first on calf club calf, which is a calf out of their herd.

Charlie's Home Restaurant will open for short orders, Saturday, the regular formal opening to occur Sunday, and from then on open for short orders and regular meals. The rooms have been repainted, decorated and thoroughly cleaned, and with new glass front presents a very attractive appearance. The service is guaranteed to be first class. All home cooking. The equipment is also new and up-to-date. Charlie was manager of Cope's Cafe at Madison for several years, and recently sold his own restaurant known as Charlie's place at Madison. He is thoroughly conversant with the restaurant business, and assures you of good treatment.

To the members of the Community church: The teachers and the board of education of the high school feel that their grateful acknowledgment of the tendering of the church for school purposes, is your due. There will be some sacrifice involved, but God's blessing will surely rest upon the cooperation which is willing to make that sacrifice. The cabinet nobly stepped forward and offered the application of a very serious problem in the school life of our community, and the board thankfully accepted the offer. It is little to ask of the pupils that they show their appreciation of this Christian spirit by exerting every care in the preservation of the property.—School Board.

## HYMENEAL

Kirch-Voss

was married to Louis A. Kirch, of Chicago, at the home of her parents, Mr. and Mrs. E. W. Voss. Mendelssohn's wedding march was played by Gerald

dine Voss as the bride party took their places in front of a bank of ferns and yellow garden flowers. The Rev. G. R. Carver, of Lodi, performed the ceremony.

The bride was attired in white tulle, with a veil of tulle, and carried a shower bouquet of white roses and lilies. She was accompanied by her father. Miss Irene Voss was maid of honor, and wore turquoise blue taffeta and carried pink roses. The Misses Helen and Marion Voss were bridesmaids, and wore periwinkle taffeta and silver. They wore corsage bouquets of pink roses. Mrs. Herbert Adams, also a sister of the bride, acted as matron of honor, and wore white georgette with a corsage of orchid colored gladioli. The groom was attended by Frank O'Connell, of Chicago.

After the ceremony, the guests were served with light refreshments, Josephine Zangl, Geraldine Voss, Florence and Frances Aylward, serving.

The out of town guests were: Mr. and Mrs. Charles Kirch and daughter, of Madison; Mrs. Richard Black and Miss Leah Goether, of Blue River; Mrs. Richard Aylward and daughters, Misses Florence and Frances, of Madison; Mr. and Mrs. G. R. Carver and son, of Lodi; Mrs. Wm. Voss and son, Kenneth, and Fred Voss, of Black Earth; Mrs. E. W. Hunt and daughter, Mrs. Kenneth Ridgeway, of Preppert, Ill.; Miss Olive Otto, of Appleton; Herbert Giewitz, of La Crosse; Mrs. Ernest Jones, of Arena; Mr. and Mrs. Herbert Adams and son, of Perry, Ia.; and Frank O'Connell, of Chicago, Ill.

Presiding the ceremony, "Sittin' Through" was sung by Mrs. Herbert Adams. The bride has been graduated from Milwaukee Normal school, and has been a successful teacher in the state. The groom is a son of Mr. and Mrs. Henry Kirch, of this place. He is a graduate of the University of Wisconsin and spent one year as instructor there in the engineering department. He is now employed as an engineer by the People's Gas & Electric Co., of Chicago.

Mr. and Mrs. Kirch accompanied Mr. and Mrs. Adams, by car, to Perry,

Chicago. The happy couple were the recipients of many beautiful gifts of silver, cut glass, and linen. Their many friends here extend congratulations and best wishes.

## ARENA

Prof. and Mrs. Cooke, of Merrill, called on old friends in an around Arena the latter part of last week. Mr. Cooke was a former principal of our high school.

The Arena high school will open on Monday, September 4. The high school faculty for the coming year will be as follows: George Barnett, principal; Miss Frances Moffatt, English; Mrs. John White, domestic science; Mr. Ley, agriculture. The grades will commence a week later, September 11. The first steps in incorporating the village of Arena are progressing with much more enthusiasm than was anticipated. It surely speaks very highly for the civic pride the property owners and voters have for their home village. "Be a booster," don't knock, but if you must, use the hammer to build something.—Dodgeville Chronicle

## GIRLS' STATEMENT WILL HELP MAZOMANIE

Many women will profit by the following statement of one of their sex: "I was afraid to eat on account of stomach trouble. Even now I don't agree. After taking Adler-Like I can eat anything." Adler-Like acts on BOTH upper and lower bowels, removing foul matter which poisons stomach. EXCELLENT for use on the stomach or sour stomach. Guards against appendicitis. It brings out poisons matter you never thought was in your system.—H. Lapley, drugist.

### VOTE FOR STONE

**Paid advertisement.**—Authorized and paid for by Farrand K. Shuttleworth, 940 Sprague Street, Madison, Wis.

**SWEETS CLEAN—A NEW BROOM.**

## SHUTTLEWORTH FOR CONGRESS

I will be nominated. Why?

1. John M. Nelson, present congress man, voted on April 10, 1922, to deport all aliens (foreigners) who violated the Volstead Act. Foolish laws are worse than foolish people. Why discriminate between foreigners and citizens? What has Mr. Nelson done for the people the last fifteen years?

2. If I were your congressman, I would be in Washington looking after your business, when your business needed attention. The farmers' products are vitally affected by the new tariff act, and your congressman should be like a watchdog on duty looking after your interests. Our farmers' products come in competition with Canadian farmers' products. If I am nominated and elected to congress I will zealously protect the farmers' products, cheese, butter and eggs, and the minerals of the earth. The smelter should not get all the cream and the miner and land owner the husks.

3. Two years ago Mr. Peterson was Senator L. N. Lenroot's campaign manager and supported the Esch-Cummins Bill. Lenroot voted for the Esch-Cummins bill. Mr. Peterson is now in favor of the repeal or amendment of the Esch-Cummins bill. Has Mr. Peterson a change of heart? Mr. Peterson was a delegate at the Forty-Four Convention and was endorsed by the Forty-Fours.

4. I opposed the Esch-Cummins Bill during the campaign of 1920, and am opposed to it now. Congressman from the Third Wisconsin District is a man's job, not a boy's.

Catarhial Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or humming in the ears, and when it is closed Deafness is the result. Unless the inflammation is removed, the hearing may be destroyed forever.

HALL'S CATARRHIAL CURE acts through the blood on the mucous surface of the system, removing the inflammation and restoring normal condition.
