## OBITUARY

**Mrs. Daniel V. Lynch**  
Mrs. Daniel V. Lynch, whose maiden name was Mary Callahan, was born in County Cork, Ireland, October 14, 1838, and passed away at her home in this place May 1, 1924.

She came to America in 1854 and lived in Essex, Mass., until 1868 when she was married to Daniel V. Lynch and came to Wisconsin, settling in Vermont township, where they made their home until 1888 when they moved to Mazomanie where she has since resided.

She leaves to mourn her death, her husband, Daniel V. Lynch, three children: Mrs. Frank Moran, of Evanston, Ill.; Mrs. Timothy Harrigan, and Mrs. Lynch of this place; also two step-children, Humphrey Lynch, of DeGraff, Minn., and Mrs. Mary Lloyd, of Beloit, one brother, Mike Callahan, of Fort Wayne, Ind., fifteen grandchildren and nine great-grandchildren.

Mrs. Lynch was a long and patient

sufferer, but enjoyed the loving care and attentions of her family and was provided with every necessary that would comfort her in her suffering. Though eighty-eight years of age she retained her intellectual faculties in a wonderful way, being deeply interested in the welfare of her family and enjoying her neighbors and friends, for whom she always had a kind word and hearty welcome.

She was a good Christian, a true wife and kind and loving mother, and held in high esteem by all who knew her. Long years of life and her suffering did not destroy her patient and considerate disposition and her great consideration was her faith and trust in God.

The funeral services were held Saturday at 10 o'clock a. m. at St. Barnabas church, conducted by Rev. Father M. G. Nier, who administered the last rites. The pall bearers were John Lucey, Wm. Mullane, Cornelius Lucey, David Quinn Jr., Math Speich and P. K. Deness.

Relatives and friends in attendance at the funeral from out of town were Mr. and Mrs. Frank Moran, Mrs. Eugene Lockwood, Dan Harrigan and Mrs. Anna McKenna, of Evanston, Ill.; Mrs. Mary Lloyd and daughter, Mrs. W. Shea, of Beloit; John Lloyd, of Richland Center; Miss Catherine Mullane, Misses Hannah, Catherine and Margaret Curth, Mrs. J. L. Kennedy, Mrs. J. H. Hayden, Mr. and Mrs. James Mackin, Jerry Kellner and son, Jay, Ethel Harrigan and

James Murphy, of Madison; Mrs. Steve Murphy and son, Edward, of Hills Point; Mr. and Mrs. Mike Kiley, Mr. and Mrs. P. K. Deness and family, Mr. and Mrs. Dan Ryan, Mr. and Mrs. Ralph Garfoot and daughter, Mary, Mrs. D. Sweeney and family, Mr. and Mrs. Pat Lynch, Mr. and Mrs. Mike Powers and daughter, Irene, Pierce Powers and family, Mr. and Mrs. Robert Handel, Leo M. Dalsey, Mr. and Mrs. Dan Lynch, Mrs. Hannah Dolan, daughter Mary, and son Joseph, Mr. and Mrs. Jas. Keilner, of Blue Mounds; Mrs. Wm. Ferris, of Mt. Morris; Mr. and Mrs. Jas. H. Morrissey, Mike Morrissey, Mrs. Evan Lloyd and Cornelius Curtin, of Arena.

A precious one from us has gone,  
A voice we loved is stilled;  
A place is vacant in our home,  
Which never can be filled.  
God in his wisdom has recalled  
The boon his love had given;  
And though the body slumbers here,  
The soul is safe in Heaven.

**Card of Thanks**  
We wish to extend our heartfelt thanks to our many kind friends and neighbors who so kindly assisted us during the illness and burial of our dear wife and mother, also for the many spiritual and floral offerings, and to the choir for the beautiful singing rendered.

Daniel V. Lynch and Children.

**Memorial Services.**  
Comrades of the Grand Army of the Republic, fellow citizens, ladies and gentlemen: Memorial services will be held in the Community church on Sunday, May 25, 1924. I am sure that there is a growing regard for Memorial Day and all that it signifies. It is a day regarded by every true patriot as sacred to the memory of the brave boys from 1861 to 1905 who gave their lives. The comrades will meet at the Post hall at nine o'clock A. M. and march to the Community church. The services will be conducted by Rev. Geo. V. R. Shepard. The Sons of Veterans and our other patriotic societies seem glad to accept the responsibilities of the memorial season. The schools and teachers and scholars will do their part.

We want 150 bouquets made up and tied and brought to the G. A. R. Hall at 9 A. M. on Decoration Day, May 30, 1924. The comrades will meet on Decoration Day, May 30th, at the G. A. R. Hall. Made by the Hutch School Band.

D. L. Bestor, W. W. Morehead and P. F. Stickney will take charge of the procession. A great many cars and trucks will be necessary to convey people to the cemeteries.

And on Decoration Day, May 30, 1924, the Rev. F. M. Prucha will speak at the cemetery.

**Will Relieve Mother's Pains.**  
A jangle of fear seizes mother when sudden and severe cramps, agonizing intestinal pains, black nausea and weakening diarrhoea prostrate some of the family. Keep Chamberlain's Colic and Diarrhoea Remedy in the home, and such emergencies need cause neither fear nor alarm. Eases pain almost instantly.

## MOTHER.

I see through the veil of a time-thickened haze,  
Whose mists hide the glow of some beautiful days,  
The face of my mother. Ah, memory's sublime,  
I thank thee for piercing the cloud-shroud of time,  
And bringing once more my sweet mother to me!  
I find myself lingering again at her knee  
To wonderful stories of riches she told,  
Of wealth never measured by jewels or gold;  
How poverty's pocket would never overflow  
With treasures no greedy-souled miser could know;  
Or how on through life, with a richly stored mind,  
With a heart ever open to suffering, I'd find  
A happiness pure that no money could buy,  
No Croesus could give, and no power deny.  
I lift up my soul and in rapture rejoice  
At the touch of her hand and the sound of her voice.  
I'm soothed and sustained in the midst of the strife,  
By thought that my mother is still in my life;  
That out from the shadows her face will appear  
At memory's beck, to be constantly near.  
Then time is no barrier, nor is death even a wall  
To a mother whom memory will bring at your call.  
I am stronger today since wherever I stand,  
I can reach out my soul and take hold of her hand.

## BANKER-FARMER CO-OPERATION

Many Conferences and Practical Measures Are Bettering Farm Situation From Ground Up.

The merits of intermediate and long-time agricultural credit now available, organization and co-operation of producers for balanced production, and orderly marketing are the chief topics of discussion at many banker-farmer conferences being held in various parts of the country with the assistance of the American Bankers Association.

At a Texas Agricultural College meeting representatives of agricultural and livestock associations agreed that there is so much to be gained from the organization of producers for balanced production and orderly marketing to relieve the farmer of the agricultural with credit provided of sufficient time to cover farm and ranch turnover.

Legislation Not Wanted  
Further legislative action was not considered appropriate. In fact, there was actual opposition to further government action to assist in economic adjustment, everyone there being in complete accord that conditions were hopeless as far as existing institutions were concerned to raise the farmer and stockman to a proper economic place in the business world. The establishment of the Intermediate Credit Bank was declared to be the last step in the provision of necessary agencies of credit, sufficient opportunity for co-operation exists in present organizations.

The Agricultural Committee of the American Bankers Association was described as a means of co-operation between bankers and farmers and its work explained in bringing bankers in more intimate touch with the actual problems of the farm to develop increased helpfulness.

Banker-farmer conferences have been arranged by the Agricultural Committee of the American Bankers Association at the state agricultural colleges in Indiana, Michigan, Ohio, Iowa, Illinois, South Dakota, Minnesota, North Dakota, Montana, Kansas, Oklahoma, Colorado, and Wyoming. The Oregon Bankers Association is engaged in the promotion of conferences in an effort to bring about diversified agriculture.

Practical Aid by Banks  
Officials of a large Astoria, Oregon, bank are taking an active part in making farming a real business in their community. A group of businessmen wanted to borrow sufficient money to buy a carload of purebred Guernseys. There were practically no purebred Guernseys in the county. These dairymen had little money to buy the carload with the bank. A letter of credit for \$15,000 was given to them immediately on a joint note.

It meant the starting of purebred Guernsey herds in the county and most of the dairymen who purchased the animals have sold enough of the offspring to pay for the original investment. One of the dairymen says, "Had the bank not been liberal in making this loan the original investment could not have been made and the county would not have at this time the results it now has as one of the Guernsey centers of the Northwest."
