SCHOOL NEWS

The play given last Friday evening was a great success. The performers did themselves credit, and they and their coach, Mrs. Trager, deserve much praise.

Next week the seniors will stage a campaign to secure pledges for Bell sales. This book gives much information in school history, past and present, has some excellent cuts, and other material that is of interest. It contains over one hundred pages.

Mazomanie high school ball team played Prairie du Sac Wednesday. The team is made up of many underclassmen. In a year or so they will be ready to meet all classes of schools. Up to date we have played two games and won both.

The game played between our grades and those of Middleton, showed that our boys outclassed the visitors, nearly errorless as far as our boys' plays were concerned. Hugh Hodgson took the part of a professional pitcher. He pitched his opponents to the bases and walked not more than two men. The score was ten to four.

Prairie du Sac carried away the honors in the field day meet of the Tri-County High Schools League. The day was cold, the track poor, so no records were broken. The relay race will be run over as there was a disagreement.

About ten boys stoned up to go to the Citizens Training Camp which

meets in the month of August. This outing costs the boys nothing but their time, puts them in good physical condition, and it is a good schooling for them.

"The Golden Violin."

The pupils of Marcus Bach will render a novel and interesting entertainment at the High School Gymnasium on Wednesday evening, May 21, by presenting "The Golden Violin," a playlet embodying a violin recital.

Cast is as follows:

The Grandmother, Miss Ebel Schull
The Children
Edith, Maxine Parrell
Gwendolyn, Maxine Kirch
Eleanor, Bernice Dunlap
Loretta, Florence Weinschenk
Hilda, Doratha Murphy
Hilbert, Russell Kiley
Victor, Floyd Wilson
Harold, Elmer Morehead
Daniel, Charles Jones
Donald, William Cavanaugh
Wayne, Harold Gorst

The story is based upon the music of various nations and the magnificence of the Golden Violin. Tickets are now on sale at Sheld's drug store or from the members of the cast. Admission 35 cents. Reservations may be made at Sheld's free of charge, beginning Saturday at 8:00 a. m.

Memorial Services.

Comrades of the Grand Army of the Republic, fellow citizens, ladies and gentlemen: Memorial services will be held in the Community church on Sunday, May 25, 1924. I am sure that there is a growing regard for Memorial Day and all that it signifies. It is a day regarded by every true patriot as sacred to the memory of the brave boys from 1861 to 1865 who gave their lives. The comrades will meet at the Post hall at nine o'clock A. M. and march to the Community church. The services will be conducted by Rev. Geo. V. R. Shepard. The Sons of Veterans and our other allied patriotic societies seem glad to accept the responsibilities of the memorial season. The schools and teachers and scholars will do their part.

We want 150 bouquets made up and tied and brought to the G. A. R. Hall at 9 A. M. on Decoration Day, May 30, 1924. The comrades will meet on Decoration Day, May 30th, at the G. A. R. Hall, under the High School Band.

I. L. Bestor, W. W. Morehead and P. F. Stuckney will take charge of the procession. A great many cars and trucks will be necessary to convey people to the cemeteries. And on Decoration Day, May 30, 1924, the Rev. F. M. Prucka will speak at the cemetery.

A LITTLE WHILE AGO

an order on a wholesale factory for a certain kind of suit. When he came to pay for it, he was agreeably surprised at our price of \$30. He said: "Why they told me that you would ask me \$45 for it, which is the price their city customers sell them for." It beats all what price these way-up city stores do tack on to their clothes and get by with it. From the price they ask you would think their garments were lined with gold leaf and sewed with gold thread. If you don't care to pay for having it said that you buy your clothes on some Fifth Avenue or Broadway, you had better let us save you some money, too.

Do you know that we sell the "Gold Seal" Congoleum rugs at \$2.00 less than they are advertised in the magazines? And you don't have to pay freight, either.

The annual Play Day for the township of Berry was held at Halfway Prairie School on Monday, May 12. Five schools took an active part in the day's activities which were managed by Miss Christina Menzel, of the Marvill school and Mrs. Sammlen, of the Danz school. The Ag. Triangle of the University of Wisconsin sent out two very capable play leaders, Marvin Schaars and Leslie Klevay, who lead in the games. The forenoon was spent in competitive games and races in which all participated with a real play spirit. At noon a community dinner was served by the lunch committee. Promptly after dinner the games were resumed with as much vigor as in the morning and the stand was opened where refreshments were served. The following program was rendered at two o'clock: Community Singing, American, the beautiful story of the Little Brown Hen, Kerl School; A Child's Book, Table Bluff School; School Bell in Vacation, Table Bluff School; Folk Dance, Halfway Prairie School;

Maypole Drill, Marvill School; Solo, The Halfway Prairie School. Mr. Klevay, who is also noted for his famous "mule" performances, lead the singing of several catchy songs. Mr. Schaars sang a German Medley in which the audience joined at intervals. After the program the base ball game was on between Halfway Prairie School and a team composed of residents of the several school districts. The score at the end of the game favored Halfway Prairie 12 to 10. The winners will go to the Field Meet at Madison June 6th, where they will play Bluff Mounds. All reported a good time and aside from a slip of the ball during the teachers' game of football, no serious accidents were reported to these in charge. We are hoping that Berry may have such a play day next year. Guests of the day were Miss Clara Habernicht, Supervisor teacher, and County Superintendent T. S. Thompson, of Mount Horeb.

Short Course Camp Meets June 20-24. Badger boys and girls enrolled in club work will hold their 13th annual short course at Madison, June 20 to 24. From 30 to 100 youngsters spend the week in camp, studying, visiting the various University activities, and enjoying themselves generally.

This course is open to any of the 1000 boys or girls enrolled in the club work, says T. L. Bewick, state leader. Many of the boys and girls are sent to the short course as a prize trip for outstanding work in their projects. Fair associations, bankers, county boards are frequently financing the scholarships.

"Write us for particulars and a program," urges Mr. Bewick, "then plan to spend an enjoyable week camping on the agricultural college campus."

A new four-year course in Chemistry-Commerce was recently established at the University of Wisconsin.

—It is expected that the second annual Field Meet and Health Day to be held June 6th at Vilas Park, Madison, will eclipse that of last year according to plans made by School Superintendents T. S. Thompson and Eleanor Weiseman. The races and contest plans are completed and are awaiting the list of entries from the thirty-five townships in Dane County. The fastest and most skilled boys and girls are being selected to represent their townships. All events are to be scored and the total determines whether East or West, Dane is to be awarded the winning banner. The competition last year resulted in victory by a narrow margin for West June 6th will be a day of wholesome recreation for everybody and attractions to fully occupy the time are being contemplated by the committee. It is hoped that the attendance will exceed the 5000 mark this year.

—Mazomanie lost its first Tri-Co League game at Waunakee last Sunday, 6 to 5—a tough one to lose in the last inning. Royston had them beat 5 to 1, allowing only one hit in seven innings, in fact had the Waunakee boys breaking their backs trying to connect, when he was relieved by Stutz, he figured Mazomanie had the game won; but luck was against us. Schultz, who was sent in to pitch, was unable to get the plate, allowing three men, killing the bases. Stutz then took up the pitching role, but before the smoke had cleared away Waunakee had the score tied 5 to 5. In the ninth frame an error by Loy, a base on balls, and a hit brought home a 6 to 5 victory for Waunakee. The team played a real game of ball, and some real base ball can be looked for in the coming season. Sun Prairie comes to Mazomanie for our next Tri-Co. game this Sunday, and a good battle is on. They beat Cottage Grove last Sunday 2 to 0; so every one try and come out. The team needs your support. Let's make it 500 per cent this next game, one lost, one won.
