## OBITUARY

**Jessie E. King.**—Jessie E. King was born at Mounds Creek, June 11, 1869, and died at Los Angeles, Calif., July 28, 1924.

She leaves to mourn, three sisters and two brothers, namely, Mrs. Nell Wilson, of Alhambra, Calif.; Mrs. Frank Linley, Mrs. J. C. Nelson and A. O. Roberts, of Arcata, and Eugene King of San Fernando, Calif., as well as many other relatives and friends. Her girlhood days were spent in Mounds Creek and with an older sister in Chicago. Later she moved to Mazomanie with her mother, where she attended high school and graduated with the class of 1902. After finishing school she moved to Chicago and later to California, where she spent the rest of her life.

She was of a cheerful disposition and will be missed by many.

Exactly 1928 school students, in 208 classes, visited the State Historical museum, Madison, last year.

## HYMENEAL

**Wenner-Rohr**  
On the morning of August 4, 1924, at 8:30 o'clock, the wedding of Miss Catherine Wenner, of Dodgeville, and Frank Rohr, of this place, occurred at St. Martin's church, at Ashton, the Rev. Father Hensler officiating. The couple were attended by Mr. and Mrs. John King, Jr.

After the ceremony the couple left for a short wedding trip after which they will make their home in Mazomanie.

Both young people are well known in this vicinity, the bride having taught a number of years in the local high school, while the groom, a graduate of the high school, is now associated with the Mazo Motor Company. Their many friends extend to them congratulations and the best of wishes.

## Farmers' Picnic.

A good sized crowd gathered on the farm of Edward Hodgson for the annual picnic, Tuesday, August 5th. The rain of the morning kept a large number from attending. It is a fact to be regretted that more did not hear Prof. Humphrey give his talk on "Summer Feeding." In the course of his discussion he said that a good many things are not learned at school

but they were learned through good home training and referred to one of our local girls of whom he knew. Karl Schumann was awarded first in the placing of the cows, Ralph Hodgson second, and Alvin Roelke and Frank Carter tied for third place. The best ball teams showed a great deal of pep and good style playing of the national sport, and, as many remarked, it might be a good place for the Tri-County League to find new material for their teams. Had Ralph Hodgson gone into the pitcher's box earlier, the score would probably have been different. The score was 7 to 2 in favor of the East end of the district.

In the tug-of-war, the younger men were a little too strong for the older ones. Clarence Schlough gave a good demonstration of how to stay on a bucking mule. It was good as a circus and people enjoyed it. The boxing match showed more pep than science and did not last long. The committee are grateful to Mr. Hodgson for the time he gave to getting the ground ready and a place to have the picnic. The afternoon was both profitably and enjoyably spent.

## BLACK EARTH

Mr. and Mrs. Harley Barber, of Ripon, are guests of the David Barber family.

Dr. Robinson and family, of Iowa City, Iowa, are visiting the Frank Lincoln family.

Mr. and Mrs. Eugene Marx, of Chicago, are visiting at the home of Mr. and Mrs. C. W. Schanel.

Mr. and Mrs. George Durick, of Minneapolis, are spending a week with Mr. and Mrs. Bert Stuart.

Mr. and Mrs. Sandquist, of St. Louis, Missouri, are visiting Mrs. Sandquist's parents, Mr. and Mrs. Theodore Hering.

Mr. and Mrs. John Hanson and family moved to Gotham, Thursday. They have been with Nick Mier for the past month.

In tuberculin tests of cattle herds about here Charles Lucey, Joe Bollig, Louis Schultz, Jr., had no reactors; Carl Schultz, Chris Padrut, Nick Mier, Ferdinand Kahl, and Walter Hacker each had one reactor, and Frank Turk had two.

## Many Prizes Given in Junior Stock Show

Two thousand dollars in cash prizes and girls' club members who show their prize-winning animals at the Junior Live Stock Exposition, in Madison, on October 21 to 23.

According to Reid Murray, Wisconsin College of Agriculture, there will be many other prizes, besides those in cash. The Wisconsin Live Stock Breeders' association is cooperating.

A beautiful silver trophy will be given to the exhibitor of the grand champion baby beef of the show. A silver trophy will be given to the exhibitor of the champion yearling beef classes. The boy or girl from Dane county showing the best baby beef herd will receive a large silver loving cup.

The champion calf club, pig club, baby beef club, and champion sheep club boy or girl is to have a real treat when they go on a free trip to the International Live Stock Exposition at Chicago.

Some 3,500 persons have enrolled in the 147 extension classes conducted in Milwaukee during the last two years by the University of Wisconsin.

**Library Notes.**

When selecting books for the library those having it to do find themselves depending on slender facts. They know the advertiser tries to sell the book. The name often is chosen with a view to selling. While in the case of our public library, good work has been done. Mistakes have been made even though the state commission have complimented the work of selection.

After all, it doesn't mean much to put a good book in the library if no one or only one or two, read it. On the other hand, a book may be read by about all within reach and mean as little.

One of the late books put into our library has a little in its name that might excite a little curiosity but would rarely suggest its meaning—"Ice Breakers and Herself." Most anyone would think of something breaking up ice in harbors to let in ships or breaking free ice jams obstructing flow of winter flood. It even might recall to us days in our youth when we had much fun playing on ice just firm enough to sustain a part of our weight and the whole if we could make the time our weight rested on it short, we kept from getting wet, and enough follow us till it would no longer sustain the weight of anyone and some one get wet.

It however has an appropriateness in that it is the story of a professional recreation manager. In every section of people for entertainment there is some one or ones who should and do try to get them to talking and doing something to break the ice, sometimes spoken of as thawing out. They are very clever at it, adapting games, conversation, or even plays to bring enjoyment and happiness to every one present.

This book tells of this and might be a help to any who have such a task as it has many useful suggestions. Try it, maybe a reading of it will help you a good deal.

The library is open Monday, Wednesday, and Saturday evenings, also Wednesday and Saturday afternoons.

**OF LOCAL INTEREST**

—Mrs. Wells, of Hyland Park, Ill., and Mrs. Berenice Chish, of Redwood, are visitors at the home of Mrs. J. W. Kestor.

—By wearing a pedometer, an Iowa farm woman found she usually walked five miles each day in preparing meals for her family of three. With the aid of a member of the cooperative agricultural extension service of that State, she studied the placing of her kitchen equipment. After rearranging it to meet her particular needs, more effectively, her pedometer showed, according to reports to the United States Department of Agriculture, that the distance she had to walk in preparing one day's meals was but 2.5 miles, exactly half that required before, leaving her, she states, more time to read, write, and sew.

—According to a custom of long standing, Mrs. James Bartlett, 2216 Fair Oaks avenue, Madison, entertained with a family reunion on the day of her birthday anniversary. The event on Thursday marked the eighty-eighth birthday of Mrs. Bartlett, and the birthday dinner was served at noon, followed by a family afternoon and evening reunion. Of her eight children there were six present with their families. The grandchildren number forty-five and there are twenty-one great-grandchildren. Two of the latter were present, little Donald Dowling and George Marx, both of Madison. Relatives attending were Mr. and Mrs. LeRoy Dowling and son Donald, of Milwaukee; Mr. and Mrs. Bert Shower, of Black Earth; Mr. and Mrs. Melvin Hathaway of Prairie du Sac; and Mrs. and Mrs. A. D. Jordan, of Wyeville.—Capitol Times.

**New Ticket Sale Plan For Football Games.**

In the sale of tickets for the 1924 football games, equal chance to obtain good seats will be given to alumni located in sections of the country far from Madison as well as to Madison and Wisconsin alumni, according to the policy adopted recently by Paul F. Hunter, director of athletic ticket sales for the University of Wisconsin.

Application blanks will be sent out to all alumni on August 15, and no orders will be accepted before September 1. Orders sent in before that date will be received as of the date of September 5. One application blank form for all the games is to be sent, and the alumni will order their tickets for the various games on the one blank. A later order may, however, be added to the original blank. Blanks are non-transferable.

The entire south half of the West stand of the Stadium will again be reserved exclusively for the alumni, and the north half for the students. The alumni section is to be divided horizontally so that members of the alumni association will sit in the upper portion and non-members in the lower.

The 1924 football schedule follows:  
Sept. 27—North Dakota at Madison.  
Oct. 4—Ames at Madison.  
Oct. 11—Iowa at Madison.  
Oct. 18—Minnesota at Madison.  
Oct. 25—Michigan at Ann Arbor.  
Nov. 1—Open.  
Nov. 8—Notre Dame at Madison.  
Nov. 15—Iowa at Madison, (Homecoming).  
Nov. 22—Chicago at Chicago.

**The Need Is Very Urgent.**

An attack of dysentery, even results from indigestible food, polluted drinking water, or sudden changes in weather or climate. Chamberlain's Colic and Diarrhoea Remedy should be in every home, every traveler's bag, every vacation kit. A valuable medicine, dependable, safe, reliable in emergencies at home or when traveling.

A mark in this space indicates that your subscription to the Sickle has expired. Prompt remittance for renewal will be greatly appreciated, and will insure continued delivery. The Sickle is payable in advance, at \$2.00 per year.

**Carl Knutson Herried**  
OF STOUTSTON FOR SHERIFF  
Madison men have held the office many years, why not make a change?

**J. HENRY BENNETT**  
Attorney at Law  
Viroqua, Wis., Apr. 18, 1924

To whom it may concern:

It has come to my attention that our former townswoman, CARL KNUTSON HERRIED, who now resides at Stoutston, is a candidate for sheriff of Dane County.

Mr. Herried has resided in Dane County for the past seventeen years and from a personal acquaintance with him of more than thirty years, I can say that he has always conducted himself as a good citizen, and that he has proven worthy of the good opinion in which he is held by all his acquaintances.

He has the education, business ability and courage to make a first-class sheriff in every respect and I commend his candidacy to the good people of Dane County as one who will make them an ideal public servant.

Wishing him the success his merits so richly deserve, I am,

Yours Respectfully,  
Stoughton Wagon Co.,

It has come to my attention that our former townswoman, CARL KNUTSON HERRIED, who now resides at Stoutston, is a candidate for sheriff of Dane County.

Mr. Herried has resided in Dane County for the past seventeen years and from a personal acquaintance with him of more than thirty years, I can say that he has always conducted himself as a good citizen, and that he has proven worthy of the good opinion in which he is held by all his acquaintances.

He has the education, business ability and courage to make a first-class sheriff in every respect and I commend his candidacy to the good people of Dane County as one who will make them an ideal public servant.

Wishing him the success his merits so richly deserve, I am,

Yours Respectfully,

"I guess you don't remember me. I was here in war time and bought an overcoat from you for \$25.00, and on my way to the front I sold it in Canada for \$65.00, and so I am here again." That is the kind of talk we like to hear.

Our new fall suits continue to arrive. Prices in print mean little. If a man advertised to sell land at a dollar an acre we would not know whether or not it was worth it unless we saw it. So it is with our suits. You have to see them to appreciate the quality and price.

Mazomanie dropped a one-sided game to San Prairie last Sunday, 16 to 6. Mazo started strong, driving over four runs in the first inning to San Prairie's score. From then on they seemed to have Royston's goat and pounded him unmercifully for the remainder of the game.

The game play by play: First—Voelker flew out to Roberts on first; Edison flew out to Osborne in right; Hein singled to center, stole second; Hanson fanned. One hit, no runs, no errors.

T. Jones singled to center; F. Loy singled to left, advancing Jones to third. Loy stole second; Osborne fanned; H. Roberts singled to left, scoring Jones; Murphy, and taking third on throw to plate to catch Murphy; Stas flew out to pitcher, who caught Roach off third, a double play, three hits, four runs, no errors.

Second—H. Hein walked; Finger flew out to Roach; Zohn walked, advancing Hein to second; Murphy singled to right, scoring Hein, advancing Zohn to third; Kranz stole second; Richard fanned; Voelker singled to right, scoring Zohn and Kranz, then was caught attempting to steal second. Two hits, three runs, no errors.

J. Loy tripled to left; Royston singled to left, scoring Loy; T. Jones grounded out, second to first; Royston at second, and second to first, catching Jones—second double play; F. Loy grounded out, third to first. Two hits, one run, no errors.

Third—Edison fanned; E. Hein walked; Hanson singled to left, advancing Hein to third; Hanson grounded to second on play; H. Hein singled to right, scoring E. Hein, advancing Hanson to third; H. Hein stole second; Finger singled to right, scoring Hanson and Hein; Zohn singled to center, advancing Finger to second; Kranz singled to left, advancing Finger to third and Zohn to second; Richards fanned; Voelker singled to right, scoring Zohn and Kranz; Voelker taking second and third on play; Edison grounded out, second to first. Six hits, six runs, no errors.

Osborne singled to left; H. Roberts fanned; Murphy flew out to right; Roach grounded to first, unassisted. One hit, no runs, no errors.

Fourth—E. Hein hammered a home run to center; Hanson reached first on Roach's error, went second on the bum peg to first; H. Hein singled to center, advancing Hanson to third; Finger sacrificed, pitcher to first, advancing Hanson to third; Zohn reached first on second; Zohn reached first on

### Ribbon Filet for Youthful Coiffure.

It is a pretty sight to note the cunning ribbon arrangements which youth is wearing this season. Perhaps the vogue for bobbed hair is responsible for these very charming ribbon bandages and nets noted at party and dance. Anyway, with all due respect to the "bob" it is no exception to the "short with every rag" adage, which in the case of short tresses is that they have a way of blowing recklessly about at the touch of every breeze. However, necessity being the mother of invention, the cleverest sort of ribbon fantasies are designed to confine curly locks as straight.

So what care we as long as fashion declares in favor of the fanciful ribbon file! The one in the picture is made of parrot gold ribbon with lots of color in its weave. If perchance anyone is so courageous as to abandon the bob, why not, while tresses are growing out, artificially conceal the fact with a pretty ribbon coiffure such as is shown in the picture.

**How About The Gasoline Tax?**  
The gasoline tax question has gotten into the political campaign. As taking third on play, Osborne stole second and Loy was caught at plate trying to score on the throw to second. One hit, no runs, one error.

Edison fanned; T. Jones fanned; F. Loy singled to right; Roach reached first on center's error. E. Hein taking third on play, Osborne stole second and Loy was caught at plate trying to score on the throw to second. One hit, no runs, one error.

this fund as they saw fit. Every cent of it was to be distributed as the law directed and would have been so distributed, with this exception: One-half of the federal funds were allocated to the counties and the other half to the state trunk highway fund, the latter to be used by the state department in filling up the gaps on important state trunk highways. I want here and here and now to say that the statement that the gasoline tax under this bill was to be distributed as the state highway department directed was wholly groundless.

## Catarh Can Be Cured

Catarh is a local disease, greatly  
influenced by constitutional conditions.  
It therefore requires constitutional  
treatment. HALL'S CATARRH  
MEDICINE is taken internally and  
acts through the blood on the mucous
