

THE MAZOMANIE SICKLE.

VOL. LIV.

MAZOMANIE, DANE COUNTY WISCONSIN, FRIDAY, OCT. 7, 1927

NO. 35

CHRIST FOR ALL—ALL FOR CHRIST
The Word of God
The Word of God is the light of the world. It is the life of the soul. It is the power of God. It is the truth. It is the love. It is the peace. It is the joy. It is the hope. It is the faith. It is the charity. It is the kingdom of God. It is the life of the world.

SUPPLY IS SURE!—Trust in the Lord, and do good; so shalt thou be fed. Delight thyself also in the Lord; and he shall give thee the desires of thine heart. Psalm 37:3-4.

PRAYER:—Lord, may our faith never falter, and we shall then be doers of the Word and not hearers only, and Thou wilt both purify our desires and satisfy them.

What promise is given to those who remember the poor?

Answer, read—Psalm 41:1.

SCHOOL NEWS

The contract for Senior pictures has been given to the Badger Studio of Madison.

Parts have been assigned by Miss Gasser for a light opera. "The Terrors," to be presented in the near future.

The Seniors are to give a concert for English IV. Who knows but we may have some budding poets among our number.

He—When the tourist arrived home he fell on his face and kissed the sidewalk of his native city.
Him—Banana ad!

Don't forget the first number of the Lyceum course, to be given Saturday, Oct. 8. It's most interesting. If you have not yet secured your tickets they may be purchased at the door.

"The plot thickens," said the old man as he sowed more grass seed.

The year Abolition Association tickets by coming to the football game to be staged between Mazomanie and Middleton, Friday afternoon at 5:30. Two weeks ago the teams tied at Middleton, but this time we must be the victors. We there to root for your home team!

First small boy—I'd like to see a fish cry.
And S. B. B.—Fish don't cry.

First alto—They do! But Papa said he saw some whales' blubber.

The lucky "Reds" Chop Sueys were regally entertained by the Sub team and the Young team Friday evening. The Reds won the recent subscription contest, so the two losing sides were duty bound to pay them a "fee." Particularly for the freshmen games and of "spinner in the Bell" and others were played, (but the rest enjoyed them just as much). After all had partaken of ice cream and cake, dancing became the principal attraction for the remainder of the evening.

Bob G.—I'm worried about my complexion. Look at my face!
Glen M.—You ought to diet.

Bob G.—That's a thought. What color should I use?

The football team has been unusually fortunate so far, in tying Middleton 6 to 6, and last Friday securing South City home with a 14 to 0 defeat.

checked against them. Sunk put up a good fight but were unable to stop Mazo's line drives and end runs, which resulted in two touchdowns in the first quarter. From the time Mazo left the game on account of injuries in the second quarter, the home team had considerable difficulty keeping the ball out of dangerous territory, but always managed to hold when it looked like a sure touchdown for the visitors.

MARRIED TUESDAY;
BURIED SATURDAY.

Married at St. Mary's Catholic church at Marshall Tuesday morning of last week, John Pirki and Hanel Avarush were drowned in the city pond at Portage the same evening, their car going over the embankment. Funeral services were held at the same church and conducted by the same priest who married them. Saturday morning wedding guests were full beaters.

LA VALLE ROCK PILES
GO TO MILLIONAIRES

Two more car-loads of rocks from the Alfred Beuchat farm are being dug out to ship to Chicago, for use in landscape gardening.

The first shipment of seven car-loads from the Beuchat and the Ray Powell farms, was made some weeks ago, to the Henry Ford, estates of Detroit. The rock was used to make a swimming pool and for landscape work in the Ford gardens.

The shipment of two car-loads to be made at this time, is to be used according to Frank Ingelstrom who is grading the rock for landscape work in the Jensen estates near Chicago.

The rock is dug and kept if possible with the moss on, and is packed in hay for shipment so that when set on, no appearance is of natural rock formations.

HOUSEHOLD HINTS

A tablespoon of ammonia to one quart of water makes a fine solution for sponging shiny spots on clothes.

Use a thick wet cloth for pressing. If your linen is scorched—apply peroxide.

To remove grease, use ether or chloroform.

To remove coffee stains, rub with glycerine.

To polish mirrors and glass after washing, crumpled tissue or newspaper makes an excellent polisher. (Grease spots on wall paper can be removed or rubbed with a piece of flannel dampened in alcohol.)

Paint on clothing can be removed by saturating the paint spots two or three times in a solution of equal parts of ammonia and turpentine. Then wash with soap.

To lighten life of a brown dip in to hot soap water every few days. This saves your carpets and rugs, too.

Lightning which struck the school at Mt. Horeb, about 2:30 p. m. Monday caused damage of nearly \$2,000, according to estimates. Fire followed the flash, but this was put out by H. Bognard, P. W. Crowe, and G. Kinsch, teachers in the school, and W. Baxter and A. Stenard, janitors. As a result of a fire-drill started immediately, every student was out.

MAZOMANIE, WIS., OCT. 7, 1927.

At The Majestic Theater.

This Friday—Something has happened to the movies! A western hero appears in a western production with out a sombrero. Ken Maynard, First National's western star, discard the Big gallop hat in "The Red Riders," produced by Charles B. Rogers for First National. The film is coming to the Majestic Theatre next Friday. The picture concerns the historic and adventurous difficulties of the army troops in putting the Indians on the first government reservation. Ann Drew, who gained screen recognition overnight, makes her debut as a leading lady opposite Maynard, and other important players in the cast include Paul Hurst, Harry Shuman, Tom Bay, Harry Seltzer and Chief Yowlachie.

Sunday—The "flying extra" has joined the motion picture colony! His debut spoiled several hundred feet of perfectly good film and made it necessary to re-shoot a very important scene. It all happened when the picture showing at the Majestic Theatre, Sunday, "The Great Mail Robbery," was on location in Mist Canyon, 42 miles north of Hollywood. The F. B. O. company was shooting scenes in which Marines, aided by three airplanes, were rounding up a band of mail robbers. With everything all set, the little royal worked up to the climax, where the three planes were to come over the mountain range and sweep down on the bandits, making them with machine gun fire. At the given signal, the airplanes came up on the horizon—one, two, three, and then a fourth! Cameras stopped grinding, guns ceased firing, technicians gasped, and Director Seltzer tore his hair. Then one of the planes detached itself from the group and taxied to a stop near the set-up. Nonchalantly its pilot disembarked, approached Ray McCarry, Seltzer's assistant, and presented a pay voucher. "Sorry to trouble you," he remarked, "unconscious of the consternation caused by his appearance, but I wanted my pay for yesterday's work and since your signature is required, I just flew up to get it." Thus did the "flying extra," better known as Lieutenant "Robbie" Robertson, made his debut in motion pictures. As three planes had been established earlier in the picture it was necessary to retake the scene.

Tuesday—Every show in so often there comes along a motion picture so unexpectedly fine and so unusual in construction that it is heralded as a surprise and scores a tremendous hit. Harry Langdon, the best known and most successful of screen comedies, has just finished one of that variety. It is called "Three's a Crowd," and is showing at the Majestic Theatre Tuesday. "Three's a Crowd" has become accustomed to surprise in Harry Langdon's feature films. In "Three's a Crowd," Langdon is said to have completely eclipsed even his own ingenuity, and to have introduced surprise elements without precedent in film history. At the recent previewing in New York critics, exhibitors and audience alike were so tremendously impressed with Langdon's daring comedy artistry that they rose and cheered after the conclusion of the picture. "Three's a Crowd," starring Harry Langdon, is one of those motion pictures no well-informed theatregoer can afford to miss.

COUNTY SUNDAY

SCHOOL CONVENTION

MEMBERS of the county Sunday School cabinet are much pleased with the prospect for a fine gathering of Sunday school officers and teachers at the annual county convention to be held at Madison Oct. 1. A program has been arranged which will present a splendid list of speakers with sufficient actual Sunday school experience to assure everyone getting workable suggestions on his own problems.

Perhaps the talks which will interest the greatest number of people will be one by Prof. W. H. Dudley of the University Extension Division and another by Reverend F. W. Harris who is district superintendent of the West Wisconsin conference of the Methodist Episcopal church. Prof.

Dupley believes that our church schools should use the great attracting power of lantern slides and motion pictures to help to bring in new members as a help to our efforts. He will show some samples and tell us something of what is available. Rev. Incledon. It is hoped that every school teacher who can be relied upon to tender sent to the gathering—C. S. give us an inspiring talk on the private life of the church. Hean, County President.

Hopes of being a teacher.

Others appearing on the program are Miss Edith M. Town, Mrs. C. S. other fellow managers to live within Parker, Mrs. H. S. Stratford, Miss his income.
